DESCRIPTION

The Snow S HD from Zoomax gives you everything you need for a better reading experience and gives you the chance to regain your independence. Combining a 4.7" high resolution screen and full HD camera, the Snow S HD provides up to 17x magnification with crystal-clear text and vivid colors at a fraction of the price.

Embracing technological advances, the Snow S HD can read text to you, providing help when you need it the most. By incorporating text-to-speech capabilities, the Snow S HD can read to you with a simple point and click, giving you access to price tags, receipts, newspaper articles, and more!
